

A horizontal bar chart consisting of 20 black bars of varying lengths. The bars are arranged in a single column, with their lengths fluctuating across the set. The longest bars are the 10th and 11th from the top, while the shortest is the 15th. The overall distribution shows a range of values without a clear monotonic trend.

A horizontal bar chart consisting of 20 black bars of varying lengths. The bars are arranged in a single column, with the longest bar at the top and the shortest bar at the bottom. The lengths of the bars vary significantly, with some being nearly full-width and others being much shorter.
